Task 2: Google Dorking to Find Exposed Files

Objective:
Use Google Dorking to discover publicly exposed documents from a target domain (e.g., tesla.com).

1. Google Dork Used:

site:tesla.com filetype:pdf

This dork searches for PDF files that are publicly accessible on Tesla's official domain.

2. Discovered File:

- **Title:** OFF-ROAD GUIDE (Cybertruck Off-Road Guide),Texla model X,Y,3 etc.
  I get 3680 results of texla that is in pdf format

3. Screenshot Evidence:
